This 4 hour class is designed to teach the student the basic knowledge and attitudes necessary for selection, owning, and using the pistol of their choice safely and effectively.

### TOPICS COVERED INCLUDE:

Safe gun handling, weapon selection, firearm nomenclature and manipulation, ammunition options and applications, storage and maintenance, fundamentals of pistol shooting including; grip options, stance options, sighting fundamentals and trigger control.

The student will be provided the opportunity to shoot semiautomatic pistols and revolvers.

Cost includes class, range time, ear and eye protection, firearm rental and ammunition. Students will have to provide personal transportation to WTC's firing range.

Attendees must legally be able to possess firearms in the state of Florida. (No felony convictions, or convictions for Domestic Violence related offenses).

**No personally owned firearms or ammunition  
will be permitted in the classroom or range.**
