

## Citrus Co SO, FL SKIDDS / CATS 239

Hello everyone, I'm very happy to announce K9 Tac Ops is returning to Florida. Citrus County Sheriff's Office is hosting SKIDDS / CATS Class 239. If you are interested in the below class I will send you a course flier.

**October 20-22, 2020: SKIDDS / CATS Class 239**

Please forward this information to all your SWAT and K9 contacts within your agency as well as outside your agency.

For those that don't understand K9's or have a misconception as to how beneficial K9's can be during a high risk Patrol and SWAT deployment, SKIDDS / CATS is the answer.

The goal of this 3 day course is to educate and train Patrol Officers, SWAT operators and K9 handlers on the deployment of a police dog in a high risk tactical operation such as: tactical tracking, barricaded suspects, live gunfire, approaches, entries, blind corners, room clearing, hallways, stairs, attics, crawl spaces, vehicle assaults, arrest techniques and even in a gas environment.

If you can't make it to the class, you can always purchase "K9 Tactical Operations for Patrol and SWAT."
