

RETIRED OFFICER FIREARM QUALIFICATION HR-218 (4 HOURS)

Location: WTC-Citrus County Public Safety Training Center, Room 277

Cost: \$50.00

The course consists of a 2-hr classroom safety and legal session followed by an opportunity to qualify under FDLE's qualification course of fire. The qualifications are timed and require a total of 40 rounds, minimum score of 80% or 32 of 40 rounds in the scoring area.

Participants must provide (UNLOADED) Firearm capable of holding 5 or more rounds, two magazines or two speed loaders, holster and ammunition (Factory Ammo No Reloads) a baseball style cap or a hat with a brim. Protective eye and ear wear provided.

WTC range rules and policies will be in effect and followed by each participant prior to qualification. The Range Master's determination will be the final authority for all issues of safety, scoring and equipment. Any weapon, holster, ammunition, or related equipment found unsafe for qualification will be prohibited on the range. Participants are allowed up to two weapon malfunctions during the qualification round and only two attempts to qualify. Remedial training will not be provided.

To qualify as a "retired officer" participants must meet the following requirements to be "qualified":

- Retired in good standing;
- Prior to retirement had full arrest powers; or authorized to supervise the incarceration of any person;
- Had 10 or more years of aggregate service as a law enforcement officer or;
- Retired due to a service-connected disability;
- Has a non-forfeitable (vested) right to retirement benefits with employing agency;
- Is not under the influence of alcohol or drugs;
- Retires must verify the above requirements, provide photo ID, retired ID card, and verify that they have never been convicted of a felony or domestic violence.

Qualifications will be limited to one (1) firearm per shooter.

FIREARMS QUALIFICATION COURSE REQUIREMENTS

1. Participants shall, at minimum, be required to demonstrate proficiency at 80% or higher with the type of weapon that the officer carries. The minimum score is calculated at 32 of 40 rounds in the scoring area. The scoring area shall be any hit that is inside or touches the exterior scoring line, for example, 4 and 5 zone of B-21E.
2. Participants shall use the B-21E target or equivalent.
3. The Firearms Qualification Course shall be administered by a currently certified Commission-approved firearms instructor.
4. Participants are allowed up to two malfunctions with weapon before being disqualified.
5. Participants will only be allowed two attempts to qualify.
6. Remedial training will not be provided.
